BRF (The Bible Reading Fellowship). Paperback. Book Condition: new. BRAND NEW, Travellers of the Heart: Exploring New Pathways on Our Spiritual Journey, Michael Mitton, In this book one of the UK's leading authors on Christian spirituality and personal renewal shares his own faith journey, in the context of exploring some of the different spiritual traditions that have influenced Christian witness over the past 40 or so years. Building on themes in his previous book, Dreaming of Home, Michael Mitton explores how encompassing something of the breadth of Christian spirituality, from Charismatic to Catholic, via Celtic, can not only enrich our faith but strengthen the mission of the Church: 'I have chosen to start with my own experience, not because I am any kind of expert but because the best tutors to me over the years have been those prepared to share with me their stories, their ups and downs of life, their struggles and discoveries. Often their experiences have been very different to my own, but as I listen to them, they help me reflect on what is taking place in me.'
