The extinction of man; an innumerable advanced alien species; galactic conquest We are not alone. Our planet is teeming with bio fuel for a species that outnumber us a million to one, and we are not prepared. The enemy is innumerable, stronger, smarter, larger, and hungry; they could consume the very planet itself. Man s curiosity has set events in motion that will trigger an apocalyptic end that can t be stopped. By chance or divine intervention, eight humans are gifted with celestial orbs. Their story begins in the pages of FLUX: Genesis; Intech, Pulse, Friction, Phase, Flame, Hydro, Shift and Atom. Will their new power be enough to stop the onslaught of this truly alien foe?.
