EVERYDAY TECHNOLOGY: MACHINES AND THE MAKING OF INDIA'S MODERNITY

The University of Chicago Press. Paperback. Book Condition: new. BRAND NEW, Everyday Technology: Machines and the Making of India's Modernity, David Arnold, Everyday Technology is a pioneering account of how small machines and consumer goods that originated in Europe and North America became objects of everyday use in India in the late nineteenth and early twentieth centuries. Rather than investigate "big" technologies such as railways and irrigation projects, Arnold examines the assimilation and appropriation of bicycles, rice mills, sewing machines,...

Reviews

Good e-book and useful one. It typically does not expense an excessive amount of. I am just delighted to tell you that this is basically the finest book we have read during my very own existence and could be the best ebook for actually.

-- **Audra Hodkiewicz**

If you need to adding benefit, a must buy book. We have read through and so i am confident that i am going to going to study yet again once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
