All Europe has been converted into shambles. Each of the warring nations has been calling upon God as the sponsor of its particular cause - and the causes are, to all appearances, diametrically opposed. But in the Eternal there can be no schism. God, in whom all peoples, whatever their kindred or nation, live and move and have their being - God is one. As monotheists, how else can we read the riddle of the universe? God is good. As Christians, how else can we daily take upon our lips those supernal opening words of the Lord s prayer, Our father, who art in heaven ?
