Brand New Book ***** Print on Demand *****.Accompanying the Journey is a practical handbook designed to help sponsors in United Methodist congregations (and congregations in other denominations) develop a hands on approach to guiding individuals who seek initiation into the Christian faith through baptism. Using the metaphor of presentation, the book outlines crucial ways in which sponsors embody the congregation's welcome--both in and outside worship services--as they accompany adult initiates to the waters of baptism. The book also provides extensive guidance for sponsoring children for baptism and for sponsoring adults returning to the baptismal covenant. This book provides a helpful overview of the process of Christian initiation, outlines in detail the responsibilities of sponsors in the worship services connected with the initiation process, helps sponsors understand their relationships with the congregation and with others who lead the work of making disciples, provides church leaders with guidelines for selecting, forming, and nurturing sponsors, including a discussion of the place of discernment in the process, presents a brief overview of the role and historical context of sponsors in the Christian tradition and in Methodism, includes an appendix containing An Order for Commissioning Sponsors.
