Brand New Book ***** Print on Demand *****.Excerpt from Animal Snapshots and How Made My ideal vacation is one that affords healthful pleasure not only for the time being but for the remainder of the year - that furnishes something to which I can turn for recreation and enjoyment after the working day is over. An outing of this sort is a twofold luxury, and can perhaps best be had in fields and woods that are far from the distracting influences of the city. It is here in the simple life of camping-vacations, where the work of housekeeping is reduced to the essentials, that I have learned the art of doing for myself what I had previously supposed absolutely necessary to have others do for me. A month of this sort of life stimulates my muscles and gives me an appetite that a boy might envy. And rest! - when Mother Nature has her own way and presides over my sleep, then indeed I rest until I feel like a new being. For years I have spent my vacations in this ideal way, photographing and studying our friends in fur and feathers, in their native haunts.
