

## A Primer on American Labor Law (Paperback)

By William B Gould IV

MIT Press Ltd, United States, 2004. Paperback. Book Condition: New. 4th Revised edition. 223 x 145 mm. Language: English . Brand New Book. A Primer on American Labor Law is an accessible guide written for nonspecialists -- labor and management representatives, students, general practice lawyers, and trade unionists, government officials, and academics from other countries. It covers such topics as the National Labor Relations Act, unfair labor practices, the collective bargaining relationship, dispute resolution, the public sector, and public-interest labor law. This thoroughly updated fourth edition contains extensive new material, covering developments in the eleven years since the third edition, including the continuing decline in union membership, job security rights, wrongful discharge litigation and dispute resolution procedures, ADA (Americans with Disabilities Act) litigation, cases involving sexual harassment and sexual orientation, the most recent collective bargaining agreements in professional sports, and the debate -- spurred by globalism -- on international labor standards. Much of the discussion of the National Labor Relations Act discusses decisions and policy changes by the National Labor Relations Board during the author's chairmanship in 1994-1998.
