She is also a paranormal investigator who hunts ghosts for sport. She can remotely view throughout space and time to be psychically in touch with living animals, people, objects, and communicates in an amazing way with people in a coma or on life support from any distance. Some of her unique communications with hospice patients in this book will touch your heart, make you laugh, and marvel at what seems to be great insight, wisdom and peace with the dying. All of this is what feeds Grace s soul and makes her heart smile. Regardless of whether people find her bizarre, weird, enchanting, a freak, entertaining, the spawn of Satan, or an angel sent here to do divine work, she s normal in her world and just trying to get along as she tirelessly swims upstream in mainstream physicality.
