GLOBAL PRODUCTION AND TRADE IN EAST ASIA

Book Condition: New. Publisher/Verlag: Springer, Berlin | Global Production and Trade in East Asia focuses on the profound change that the traditional paradigm of production and international trade has undergone in the last two decades or so as a result of worldwide trade and investment liberalization. This ongoing transformation has been both aided and stimulated by advances in telecommunications, transportation, and information management. The liberalization of trade and investment on the one hand and advances in communications technology on the...
