Sage, Priest, Prophet: Religious and Intellectual Leadership in Ancient Israel (Paperback)

By Joseph Blenkinsopp

Westminster/John Knox Press,U.S., United States, 1995.

Paperback. Book Condition: New. 229 x 152 mm. Language:

English . Brand New Book. In this first volume of the Library of

Ancient Israel series, Joseph Blenkinsopp investigates three

forms of biblical Israel's intellectual and religious leadership:

the sage, the priest, and the prophet. The people who occupied

these roles were directly responsible for what appears in the

Old Testament text. Blenkinsopp looks at the development of

these roles and how they functioned in their particular time

and place. This investigation will lead to a keener

understanding of the literature of the Old Testament and the

society in which it evolved. Volumes in the Library of Ancient

Israel draw on multiple disciplines--such as archaeology,

anthropology, sociology, linguistics, and literary criticism--to

illuminate the everyday realities and social subtleties these

ancient cultures experienced. This series employs sophisticated

methods resulting in original contributions that depict the

reality of the people behind the Hebrew Bible and interprets

these insights for a wide variety of readers.
