Excerpt: . education is designed to fit people for some easy method of making a livelihood has too long prevailed in America and throughout the world, and is one of the fruitful causes of all kinds of political and business graft. The number of intellectual parasites, dudes, and rogues turned out by our high schools and colleges should be reduced to the lowest possible number, and the principle that mental and manual labor go hand in hand, is honorable and noble, and is necessary to the highest welfare of the individual, the State, and the race should dominate educational purpose and method. The main purpose of the institution suggested by this paper should be the supplying educational opportunity coupled with industrial opportunity; a place where a simple, plain, and ample living may be made by a few hours of labor each day in an environment...
