Reviews

This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

There was a downpour drenching everything. I drove up to the red light and stopped there. All I could hear was the rain beating down on the metal of the car along with my windshield wipers and the sporadic thunder. As I was waiting for the light to change, I was startled to see a man standing on the median. I had not seen him as I was pulling up to the light and I jumped in my seat. He was under an umbrella, which he was holding in one hand and in the other hand was a stack of drenched newspapers. No other cars or people were anywhere to be seen. We were alone. He walked up to my car holding the umbrella so it would block the rain if I opened the window. As I rolled it down, the man had a big smile and he started to say something. BOOM! A thunder blast sounded just as I pulled the trigger. The loud thunderbolt masked any sound that came from my gun. I got him in the head, but he was on the ground still alive. The sound of his suffering charged me with energy and filled me with satisfaction. I shot him again to end it and drove off. Everybody in every situation believes they are one of the good guys. Could you stand by and watch a friend s slow demise? How far would you go to save someone from their own destruction? What choices would you make when you are sucked into their world and find out what you are really up against? One man s struggle...
