COMMUNICATION-BASED ASSESSMENT FOR BANK OPERATIONS

World Bank Publications. Paperback. Book Condition: new. BRAND NEW, Communication-based Assessment for Bank Operations, Paul Mitchell, Karla Chaman, All development is ultimately about change, and this requires communication interventions. Communication must be framed in an integral "two-way" process that involves stakeholders, accounts for their perspectives, and understands their socio-political context. This two-way process constitutes a new communication approach, providing a better understanding of the development context, tailoring development initiatives during design and implementation, and contributing to more sustainable results. This...
