Brand New Book ***** Print on Demand *****.Writers know how a book can take on a new direction, a life of its own as s/he gets deeply into it. GODLESS has done this many times since I began it in 1987. I explain some of these changes within, but I want to share where I am in my atheism. Cynthia Sue Larson and Patricia Zerman got it when they read the book. I am no longer defensive about atheism as I realized how deeply rooted it is in my emotional life and my limbic brain. I no longer have to be offensive about it and my responses to attacks on the radio resulted in me being identified as atheist lite. I don t think they meant I was a lightweight thinker (some may disagree), but that I was refreshingly honest, funny, and fair. Further, I didn t attack others religious beliefs, but only explained why I felt my beliefs were based on many powerful emotional experiences and then later came my intellectual defenses or (to me) logical, rational explanations of my beliefs. I have observed that this is what everyone does. We are not basically logical, rational beings, but are ruled more by what we feel in our bodies. From childish arguments that sound like this - You re stupid! - No, You re stupid - which continues with no additional changes until one gives up - to arguments between loved ones and the devastating discussions between representatives of nations or political or religious leaders that are emotionally based so NO compromises are possible. I love my wife, children, and grandchildren more than anyone or anything. Yet, they are all believers in God and some...
