THE HARVEST OF REASON (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Red sweatshirts, tailgate parties, Badger mania, beautiful lake Mendota, State Street, and lots of beer. Some people experienced the University of Wisconsin-Madison this way. Not African American Ph.D. student Maddie Hawkins; her experience is colored by a marathon of deadlines, endless lab hours, competition, neglect, and walking through ill-lit parking lots in the dead of night. Maddie enters the male-dominated field of Plant Breeding to find new genes for disease resistance and to vindicate a daring research hypothesis. She thinks graduate school is a level playing field. She thinks she has what it takes. She is naive. The political world of academia is a minefield of sexism, racism and egoism. During her three year hurdle-race to get her Ph.D. the disturbing presence of blue-eyed graduate student John Pitts provides the adrenaline. Like an irksome burr, he is everything she disapproves of: a cocky genius, an individualist and a total party animal. On the other hand Craig Berry, the president of the Black Student Caucus, is a fine, righteous brother. The characters in their world are the professors, both the feudal and the enlightened; the grad students, messed up and die-hard, and the system, entrenched yet evolving. The heart leads where reason would forbid. This face-off of race, class and even religion threatens a bitter harvest. But when the fire of love is ablaze it burns to ashes *The Harvest of Reason*. WOW. I mean WOW. I read it in one four-hour sitting! I just could not stand not knowing what was going to happen next. a clear view of internalized, individual, cultural AND institutional racism all working within a remarkably readable story. (Lynnea Yancy, Evanston, IL) I loved it. Absolutely...
