Chances are, it is full of questions you have never asked yourself before as well, along with more than 14 ways to use the runes to generate art, music, and more. This system of higher development using the runes will thoroughly exercise both your mind and heart, never become routine, offer you daily surprises, help you focus, and take you places you've never been before. While this system is easy and fun to use, it is also profound and powerful. A unique chart inspired by Ken Wilber's 4 quadrants is included for rune play.
