Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. A pampered Long Island princess hits the road in a converted bus with her wilderness-loving husband, travels the country for one year, and brings it all hilariously to life in this offbeat and romantic memoir. Doreen and Tim are married psychiatrists with a twist: She s a self-proclaimed Long Island princess, grouchy couch potato, and shoe addict. He s an affable, though driven, outdoorsman. When Tim suggests "chucking it all" to travel cross-country in a converted bus, Doreen asks, "Why can t you be like a normal husband in a midlife crisis and have an affair or buy a Corvette?" But she soon shocks them both, agreeing to set forth with their 60-pound dog, two querulous catsand no agenda in a 340-square-foot bus. Queen of the Road is Doreen s offbeat and romantic tale about refusing to settle; about choosing the unconventional road with all the misadventures it brings (fire, flood, armed robbery, and finding themselves in a nudist RV park, to name just a few). The marvelous places they visit and delightful people they encounter have a life-changing effect on all the travelers, as Doreen grows to appreciate the simple life, Tim mellows, and even the pets pull together. Best of all, readers get to go along for the ride through 47 states in this often hilarious and always entertaining memoir, in which a boisterous marriage of polar opposites becomes stronger than ever.
