

A Time to Dance, a Time to Die: The Extraordinary Story of the Dancing Plague of

Filesize: 9.6 MB

Reviews

A must buy book if you need to adding benefit. Better then never, though i am quite late in start reading this one. I am very happy to inform you that this is basically the very best book we have study during my own life and could be he finest ebook for possibly.

(Rodger Hane)

A TIME TO DANCE, A TIME TO DIE: THE EXTRAORDINARY STORY OF THE DANCING PLAGUE OF

Icon. 1 Paperback(s), 2009. soft. Book Condition: New. In July 1518 a mysterious and terrifying epidemic struck the city of Strasbourg. Hundreds of men and women began dancing wildly, day after day, in the punishing summer heat. They did not want to dance, but could not stop themselves. Throughout August and into September more were seized by the same compulsion; by the time the epidemic subsided, heat and exhaustion had claimed an untold number of lives. The author of *The Real Oliver Twist* and *The Discovery of the Germ*, medical historian John Waller gives us a gripping account of this seemingly fantastical event, explaining why the dancing plague took place while evoking the sights, sounds, aromas, hardships, fervent supernaturalism, and the desperate hedonism of the late medieval world. The extraordinary story offers rich insights into how people behave when driven beyond the limits of endurance, the strange capabilities of the human mind, and the extremes to which fear and irrationality can lead us. 267.
