Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Random House USA Inc, United States, 1989. Paperback. Book Condition: New. Pamela Johnson (illustrator). 188 x 127 mm. Language: English . Brand New Book. Historical fiction at an easy level is hard to find, and this pioneer story, narrated by 10-year-old Libby Mitchell on her journey from Virginia to Michigan in 1837, is smoothly written and appealing. The wagon trail is not easy, and Whelan is careful to include a taste of the hardships. She s also careful in her presentation of the Potawatomi Indians, who figure in the story when the Mitchells nurse one of their own children back to health. The story, though brief, is well developed. -- Bulletin, Center for Children s Books.
