Brand New Book ***** Print on Demand *****.The book: Anti-Inflammatory Essential Oils (18 best essential oil remedies to suppress inflammation and pain,) is a must for people who are living with chronic pain. It also contains detailed information about the healing properties of common and rare forms of herbs, flowers, and plants that are used in essential oils. There are also tips on how to buy essential oils and oil compounds for beginners. After reading this book, you will have a better insight on why chronic pain exists, and why most drugs, medications, and surgeries do not afford permanent relief. You will...
