But for most busy, overworked managers, coaching employees is done badly, or not at all. They re just too busy, and it s too hard to change. And, he guides us through the tricky part - how to take this new information and turn it into habits and a daily practice. Brene Brown, author of Rising Strong and Daring Greatly Drawing on years of experience training more than 10,000 busy managers from around the globe in practical, everyday coaching skills, Bungay Stanier reveals howto unlock your peoples potential.
